

## 3<sup>rd</sup> International Conference on Cryptography and Security Systems (CSS'14)

September 22-24, 2014 Lublin, Poland

[www.css.umcs.lublin.pl](http://www.css.umcs.lublin.pl)

### 1st CALL FOR PAPERS

#### SCOPE AND OBJECTIVES

In recent years, computer applications and Internet services have been contributing extensively to our life experience and, simultaneously, they are vulnerable and undergo permanent attacks. The objective of the Cryptography and System Security (CSS'14) Conference is to present research and developing activities original unpublished results related to all aspects of cryptography and network security. We invite theoretical and applied research papers, case studies, implementation experiences as well as work-in-progress presentations.

The **Full Papers** accepted after peer review will be published in **Springer: Communications in Computer and Information Sciences**

(CCIS is abstracted/indexed in DBLP, Google Scholar, EI-Compendex, Mathematical Reviews, SCImago, Scopus. CCIS volumes are also submitted for the inclusion in ISI Proceedings)

### Annales UMCS Informatica

The **Short and Work in Progress Papers** accepted after peer review will be published in Special Issue of open access journal **Annales UMCS ser. Informatica**

(Journal Annales UMCS Informatica is abstracted/Indexed in DBLP, Google Scholar, ACM Digital Library, Inspec, Mathematical Reviews (MathSciNet), ProQuest and other DB)

#### The main topics of interest include, but are not limited to:

- network security
- cryptography and data protection
- peer-to-peer security
- wireless networks security
- security of sensor networks
- heterogeneous networks security
- privacy-enhancing methods
- covert channels
- steganography and watermarking for security applications
- security of webservices
- legal constraints of security systems
- cryptographic protocols
- security as quality of service, quality of protection
- data and application security, software security
- security models, evaluation, and verification
- formal methods in security
- trust and reputation models
- reputation systems for security applications
- intrusion tolerance
- system surveillance and enhanced security
- cybercrime: threats and countermeasures
- risk analysis and management

#### Important dates :

##### Full Paper

**April 6, 2014**

May 18, 2014

June 1, 2014

September 22-24, 2014

##### - Submission deadline

- Acceptance notification

- Final camera-ready, payment, registration

- Conference

##### Short and work in progress papers

**May 25, 2014**

June 15, 2014

June 29, 2014

##### - Submission deadline

- Acceptance notification

- Final camera-ready, payment, registration

#### Program Committee :

**Pascal Bouvry** (University of Luxembourg)  
**Nicolas T. Courtois** (University College London)  
**Stefan Dziembowski** (University of Warsaw, Univ. of Rome)  
**Krzysztof Gaj** (George Mason University)  
**Piotr Gajewski** (Military University of Technology)  
**Janusz Górski** (Gdańsk University of Technology)  
**Jaime Gutierrez** (University of Cantabria)  
**Pascal Lafourcade** (LIMOS, Univ. d'Auvergne, Univ. Blaise Pascal)  
**Franck Leprévost** (University of Luxembourg)  
**Marek Klonowski** (Wrocław University of Technology)  
**Zbigniew Kotulski** (Warsaw University of Technology) - **Chair**

**Mieczysław Kula** (University of Silesia)  
**Marek Ogiela** (AGH University of Science and Technology)  
**Björn Ottersten** (University of Luxembourg)  
**Josef Pieprzyk** (Macquarie University)  
**Jacek Pomykała** (University of Warsaw)  
**Peter Ryan** (University of Luxembourg)  
**Franciszek Seredyński** (Cardinal Stefan Wyszyński University)  
**Janusz Stokłosa** (Poznań University of Technology)  
**Vasyl Ustimenko** (Maria Curie-Skłodowska University)

#### Organizers :

Faculty of Mathematics, Physics and Computer Science Maria Curie-Skłodowska University in Lublin and  
 Faculty of Electronics and Information Technology Warsaw University of Technology and  
 Polish Physical Society

#### Organizing Committee :

**Bogdan Ksiezopolski – Chair** (Maria Curie-Skłodowska University and Polish-Japanese Institute of IT) (bogdan.ksiezopolski(at)acm.org)  
**Zbigniew Kotulski** (Warsaw University of Technology) **Katarzyna Mazur** (Maria Curie-Skłodowska University)  
**Damian Rusinek** (Maria Curie-Skłodowska University) **Urszula Romańczuk** (Maria Curie-Skłodowska University)
